Join us in Clifton's Church for a show narrated by Andy Guy. The band will cover just over 20 popular Blues rooted songs spanning a period of nearly 100 years in their new 'unplugged' more gentle style. Last Autumn the band were compelled to play in this 'lighter' manner by circumstances and found that they, and their audiences, got more out of the music in this style.

Covers and original songs made popular by Elvis Presley, Bob Dylan, The Beatles, The Rolling Stones, Eric Clapton, Jimi Hendrix, Led Zeppelin, Pink Floyd, John Mayer, Joe Bonamassa and Gary Clark Jnr will feature.
